## SO. S. F. TO HAVE MORE ST. CARS SOON

WORK LAYING NECESSARY SIDE-TRACKS STARTS; SIDINGS IN IN TWO WEEKS; TEN-MINUTE SERVICE TO BEGIN SOON AFTER.

At last, after many months of agitation by the local Chamber of Commerce, by the Woman's Club, by the city trustees, and by the citizens of the town, South San Francisco is to have better street car service. The increase in the number of cars connecting the town with the station near Baden on the San Mateo line, promised some time ago by the United Railroads, began to look like an accomplished fact Thursday when a gang of men arrived in town and started cutting away the street paving on Grand avenue near the grammar school to lay the necessary siding. Officials of the railroad stated recently that to give South San Francisco the desired ten-minute car service in place of the twenty-minute service at present maintained, it would be necessary to put in at least one and perhaps two sidings on the line that passes through town between the Baden station and the Western Meat packing house. Now that work has actually begun on the sidings the better service is assured.

A second siding is to be put in near the crossing of the Southern Pacific tracks. The foreman in charge of the work stated Thursday that the sidings would be finished in about two weeks and that the improved car service would be started immediately afterward.

### MRS. DOTSON ENTERTAINS METHODIST LADIES' AID

The Ladies' Aid sewing circle of the Methodist church met Thursday afternoon at the home of Mrs. E. M. Dotson on Miller avenue. There were about a dozen ladies present. Refreshments were served. The circle will meet at the home of Mrs. R. Fakkema of Peck's Lots next Thursday.

### CYPRESS LAWN MEN HAVE HANDS INJURED

S. Sundelius and C. Marcelli, two employees of Cypress Lawn Cemetery, were brought to the South San Francisco Hospital Wednesday, each man with both hands cut and lacerated. The two were engaged in unloading a motor lawn mower from a wagon, when the machine slipped and crushed and cut the hands of the two.

### DALY CITY AUTOISTS HAVE NARROW ESCAPE

Mr. and Mrs. Thomas Gray of Daly City, their son Everett, and Mrs. Madge Moore of San Francisco, had a narrow escape from death or serious injuries Monday when the touring car in which the four were riding plunged down a fifteen-foot embankment bordering the state highway near Belmont. The accident was caused by one of the front tires becoming dislodged and jamming the steering apparatus. The car, beyond the control of Mr. Gray, the driver, went over the bank before the brakes could stop it. Mr. and Mrs. Gray and Everett were thrown clear, but Mrs. Moore was pinned in the wreckage of the top. All escaped with minor injuries. Passing autoists helped the party and notified Officer Larriou of Redwood City, who took them to their homes.

### BROTHERHOOD PLANS RECEPTION FOR PRESIDENT

The South San Francisco lodge of the Fraternal Brotherhood is planning a reception for its supreme president, Carlos S. Hardy of Los Angeles. Mr. Hardy will visit the local

## PALACE THE SULTAN MAY BE ALLOWED TO KEEP

If the decision of the supreme council stands, the sultan of Turkey will be permitted to retain Constantinople, and probably will continue to reside in this palace.

## HOTEL BUILDINGS DESTROYED BY FIRE

Central Hotel and Rooming House Next Door Gutted and All Furnishings Lost.

The Central Hotel on San Bruno road, South San Francisco, and the two-story frame building adjoining, used as a rooming house and annex to the Armour Hotel, were practically destroyed by fire Sunday afternoon. The Central Hotel contained fifty-one rooms and is the property of Peter Pala, who lives on the premises. The other building, having about half as many rooms, is owned by Joe Biagini of Pescadero. Only the roofless shells of the two structures were left standing when the fire was finally extinguished, the interiors being thoroughly gutted and the furnishings a complete loss. The inmates lost most of their clothing and personal belongings, only a few of those who happened to be on the ground or in the vicinity saving anything. Both buildings were old frame structures and burned rapidly. This, coupled with the fact that the fire was well under way before its discovery, being largely responsible for the extent of the damage.

It is believed the fire started in one of the front rooms on the second floor of the Armour annex, as it was first noticed streaming through the roof at this point. It is thought probable a cigar or cigarette stub coming in contact with some inflammable material was the origin of the blaze. A high wind was blowing at the time, which materially aided the spread of the flames and the rapidity with which they devoured the two frame structures.

The Central Hotel was built in 1892, when South San Francisco was in its infancy, the other structure several years later.

The Central Hotel was insured for \$5500, its furnishings for \$2000. Whether insurance was carried on the other building could not be learned.

### HERMAN LAUCHERE NOW A PHARMACIST

Herman Lauchere of the Peninsula Drug Store received word Thursday that he had passed the examination prescribed by the State Board of Pharmacy and is now a full-fledged druggist. Herman took the examination in San Francisco about two weeks ago. On receipt of notice that he was successful in his examination he also received the appointment as assistant manager of the Peninsula Drug Store.

Special week-end bargains on the "economy table" at the Peninsula Drug Store.

## SAN MATEO CO. RETURNS BIG MAJORITY FOR HIRAM JOHNSON

Hiram Johnson 5530, Herbert Hoover 2177. That in a nutshell is the result in San Mateo county of the presidential primary election held Tuesday. These figures include every precinct in the county. San Pedro and Granada were the last two to come in. In San Pedro and Granada, the last two precincts to come in, the result was divided, in the former Johnson won, 27 to 2; in Granada, Hoover won, 11 to 8. The returns show that Johnson won every precinct in the county with the exception of two in Burlingame, two in San Mateo, Hillsborough, La Honda, and Granada. Through the north end of the county the sentiment in favor of Johnson was especially strong, as a glance at the tabulated results will reveal. South San Francisco polled a vote of 6 to 1 in Johnson's favor. Daly City showed the strongest Johnson sentiment of any city in the county, his majority here being nearly 24 to 1, followed closely by Colma, where the senator's lead was over 10 to 1. In San Bruno Johnson's lead was over 4 to 1. In

the county as a whole Johnson led Hoover over 2 to 1.

The results, as compiled at the office of County Clerk Mrs. Elizabeth Nash, follow:

	Johnson	Hoover
Redwood City	858	251
San Mateo	1106	579
Burlingame	737	409
Hillsborough	49	130
South San Francisco	517	87

## CLUB MUSICALE IS GREAT SUCCESS

Theater Packed to Capacity at the Concert Given Tuesday.

The musicale given at the Royal Theater Tuesday night under the auspices of the South San Francisco Woman's Club was an unqualified success, judged from any possible angle. The program was one of the finest ever heard in this city and the house was packed to its utmost capacity.

Many enthusiastic comments on the musicale were heard during and since the performance. It is the practically unanimous opinion of all those fortunate enough to attend the performance that never before was a concert of equally high class given in South San Francisco. The piano selections of Mr. and Mrs. Hugo Mansfeldt were exceptionally fine, the readings of Mrs. James Hazlett were of the highest order, and every other number was equally worthy of praise.

The fact that the house was packed and that so many expressions of enjoyment of the program are heard, prove that South San Francisco appreciates the best in music, readings, and dancing.

Mrs. Herman Steele and children spent a few days this week visiting in San Francisco at the home of her sister, Mrs. H. Verry.

## GUS VALENCIA WEDS BLANCHE GADDINI

Ceremony Performed at All Souls' Church Sunday.

A charming wedding took place at All Souls' Church, South San Francisco, Sunday afternoon, when Miss Blanche Gaddini, daughter of Mr. and Mrs. A. Gaddini of Grand avenue, became the bride of Gus Valencia. Father Moran performed the ceremony, the bridal party advancing up the aisle of the church to the strains of the organ played by Miss Mary Carmody. Miss Cherrie Mencarini acted as bridesmaid, Mario Staughlini being best man. The bride was attired in a charming white georgette dress, the bridesmaid being gowned also in white.

After the ceremony thirty-five guests sat down with the happy pair to a bountiful wedding dinner served at the home of the bride's parents on Grand avenue. Later in the evening about 100 friends of the bride and groom gathered at their future home in High School Park and made merry till the wee sma' hours, the time being passed in dancing. Refreshments were served during the evening.

All are welcome to hear the address of J. J. Arnold of the Bank of Italy at the Episcopal Guild Hall Sunday night.

## WANT BALL PARK IN SO. SAN FRANCISCO

Baseball Fans Ask City to Improve Diamond at High School With Board Fence.

The fact that South San Francisco is much in need of a good baseball park was brought to the attention of the city trustees very forcefully at their meeting Monday night. The matter was brought up as a result of the game here Sunday between the local American Legion team and a Legion team from San Francisco. The wind during the afternoon rendered playing difficult. The laying out of a suitable park here has been much discussed within the last year or two. Dr. J. C. McGovern, recently elected head of the league of factory ball teams, appeared before the board Monday night to ask if the city were willing to shoulder a part of the expense of building a fence along the west side of the ball ground at the high school, at present the only available ball ground in South San Francisco. After considerable discussion the matter was laid over for action at a later meeting. The board members were unanimously in favor of taking some action looking toward the securing of a good ball park for South San Francisco. A delegation of Legion members was present at the meeting.

A communication was received from the new city hall architects stating that \$6386.25 was now due the contractors, the Larsen-Sampson Company. The city clerk was instructed to draw a warrant in favor of the contractors for the sum stated. During the meeting City Clerk McSweeney was also instructed to communicate with the architects and state that the city expects them to have an inspector at the new building at all times while work is going on. A resolution was also adopted to return to the contractors their check for \$250 put up as surety at the time of submitting a bid for the grading of the approaches to the city hall. A mistake was made in their bid at that time, through a stenographer's error the contractors bidding \$250 for the work, instead of \$2500, as they intended. The amount of the low bid was accepted by the city in good faith and the matter has never been adjusted, although the grading was done by the contractors at the same time the site for the city hall was leveled. Just how an adjustment will be reached has not yet been determined.

A communication was received from the League of Municipalities, asking for a copy of the new amendment to the livestock ordinance.

A petition for a dance, to be held June 5th at Fraternal Hall, was re-

(Continued on page 2, column 4.)

## CO. MAY ASK ELECTRICIAN LICENSES

COUNTY ORDINANCE IS PROPOSED TO REQUIRE LICENSES FROM ALL ELECTRIC WORKERS, ALSO INSPECTION OF ALL WIRING.

The requiring of all electric workers to be licensed and the wiring of all houses built outside of incorporated towns to be inspected, was urged at Monday's meeting of the board of supervisors. C. C. Cohn brought the matter to the attention of the county officials, and Mark E. Ryan and E. W. Florence, both of Redwood City, addressed the board in favor of the proposition. It was represented that many houses were improperly wired and often loss by fire resulted. The supervisors asked Mr. Cohn to prepare and present such an ordinance.

Three sets of plans for the new county hospital were ordered sealed by the county clerk until the committee of judges which is to pass on the plans for the hospital is prepared to act. It was not announced what architects of the county submitted the three sets of plans.

A petition signed by twenty-six resident property owners of the Homestead district of San Mateo, asking permission to hold an election for the creation of a lighting district, was presented. The board sanctioned the election, which will be held Thursday, May 20th. The petitioners were represented by Attorney J. J. Bullock.

A communication was received from Marion A. Lippman and a number of other property owners of San Carlos, opposing the request of the Mercantile Trust Company for the opening of Arroyo avenue at San Carlos. The company claims the avenue is a public road and should be opened, while the opponents contend the avenue has been closed many years and is no thoroughfare.

Amy C. Aubury of Burlingame wanted to know if the supervisors could take action to get a highway constructed down the peninsula south of San Bruno and east of the railroad tracks, suggesting that funds voted for the Skyline boulevard be used thus. The sentiment of the board was in favor of Mrs. Aubury's proposal, but as the Skyline boulevard is in the hands of the highway commission, nothing could be done in that way. Supervisors Mrs. Brown and Thomas Hickey were appointed to interview the highway commission to see if the state could help finance a highway down the east side of the peninsula.

## SO. S. F. WOMEN HEAD CLUB WORK

The San Mateo County Federation of Women's Clubs met at Burlingame recently with representatives present from South San Francisco, San Mateo, Burlingame, and Redwood City clubs. The executive board met in the morning and planned the work for the coming year. The federation meeting was held in the afternoon.

The president announced the appointment of the chairmen of departments as follows: Art and music, Mrs. E. C. Peck, South San Francisco; home economics, Mrs. C. E. Berringer, Burlingame; Americanization, Mrs. J. D. Hedge, Redwood City; industrial and social conditions and child welfare, Mrs. Winterhalter, South San Francisco; club extension, Mrs. J. L. McGinn, San Mateo; history and landmarks, Mrs. H. Gervais, Burlingame; parliamentary, Mrs. M. Elftman, San Mateo.

It was decided to hold quarterly meetings of the federation, the next meeting being the first Friday in June in South San Francisco.

A word to the wise: ADVERTISE IN THE ENTERPRISE.

**MARRIED MEN MAY  
RE-ENLIST IN ARMY**

Married men now serving as enlisted men in the United States army may re-enlist.

Information to that effect has been received by the Army Recruiting News Service, 660 Market street, from the War Department.

This information has been published to refute the impression generally felt that married men are not allowed to re-enlist. Word is sent out from time to time by the secretary of war to married men in the army, telling them that they may re-enlist if they can support their families on their incomes, exclusive of the family allowances which terminate at the ending of the emergency.

The family allowances referred to are the allotments made by the government to the wives and children of enlisted men in the army. Under this provision, the man generally allots \$15 to his wife, to which the government adds \$15 for the wife, \$10 for the first child, \$7.50 for the second child, and \$5 for each remaining child. This is the allowance which is to terminate with the ending of the emergency.

The secretary of war announces that married men will be allowed to re-enlist if they can support their families without the above allowances.

**NOTICE INVITING SEALED PRO-  
POSALS FOR THE CONSTRUCTION  
OF SEWERS IN THE CITY OF  
SOUTH SAN FRANCISCO.**

Sealed proposals or bids will be received by the Board of Trustees of the City of South San Francisco until eight o'clock p. m. on the 10th day of May, 1920, for doing the following work in the City of South San Francisco, County of San Mateo, State of California:

Furnishing all labor and material necessary for the construction and completion of a combined sanitary and storm-water sewer from the Belt Railroad to the lower end of storm sewer No. 1, also a sanitary sewer from Cedar Avenue, along the easterly side of the right of way of the Southern Pacific Railroad Company, to the property of the Pacific Coast Steel Company, also a sanitary sewer from Cedar Avenue, along the westerly side of the right of way of the Southern Pacific Railroad Company, to the property of Pacific Car and Equipment Company, and also a storm-water sewer on San Bruno Road from Baden Avenue to Grand Avenue.

All material and all work above mentioned must be in strict compliance with the plans and specifications adopted by the said Board of Trustees of the City of South San Francisco on the 22nd day of April, 1920, and now on file in the office of the City Clerk, to which plans and specifications reference is hereby made. The successful bidder shall, within ten (10) days after the award, enter into a contract with the City of South San Francisco for the faithful performance of the work to be done under said award.

All proposals must be accompanied with a certified check upon a solvent bank in the State of California, payable to the City of South San Francisco, for an amount not less than ten (10) per cent of the aggregate of the bid, on the condition that if the proposal be accepted and the contract awarded, and if the bidder shall fail or neglect to execute and give the bonds required, the sum mentioned in said check shall be liquidated damages for such failure and neglect and shall be forfeited to and paid into the Treasury of the City of South San Francisco.

The bidder to whom the contract is awarded will be required to execute a bond for the faithful performance of the work in an amount equal to fifty (50) per cent of the amount of the under-taking with at least two responsible sureties in the full amount of the bid each; and will also be required, before entering upon the work to furnish a good and sufficient bond as required by an act of the Legislature of the State of California, approved May 10, 1919, of the claims of persons employed by contractors upon public works, and the claims of persons who furnish materials, supplies, teams, implements or machinery used or consumed by such contractor in the performance of such work, and prescribing the duties of certain public officers with respect thereto.

The contract must be entered into in compliance with and subject to the conditions imposed by Section 653c of the Penal Code of the State of California.

Sealed proposals or bids shall be delivered to the City Clerk on or before eight o'clock p. m. of Monday, May 10, 1920.

All sealed proposals will be opened by said trustees in public session on Monday, May 10, 1920, at eight o'clock p. m. in the Council Chamber of said Board.

The Board of Trustees reserves the right to reject any and all bids.

By order of the Board of Trustees of the City of South San Francisco.

Dated April 22, 1920.

DANIEL McSWEENEY,  
City Clerk.

**How Many Homes  
Have You Paid For?**

And how many homes do you own today? Recently a man came into our office that had decided years ago to apply his rent money toward the payment of a house. He soon rented the house to another fellow and his rent paid the balance on the house. He bought himself another one and another one, until today he owns several homes and has quit work. The rent money he now collects means a substantial income to him. The future is sure, bright and smiling for his wife and children.

Rent day never comes around to the man who owns his own Home.

A deed to your home is the best form of life insurance you can have.

We will build you a house to order, exactly as you plan it and upon a lot that suits your ideas. A small payment down and your rent money will pay for it. The man who owns his own home not only saves rent but makes money on the increased value in his property.

## TRUCK AND TOURING

### CAR IN COLLISION

A truck driven by Jim Varney, proprietor of the vegetable stand at the south end of Lomita Park, collided with a touring car driven by A. E. Alexander, manager of the Peninsula Hotel, Tuesday afternoon on the state highway south of San Bruno.

The truck was turned over on its side, the driver escaping without injury. Alexander was cut by flying glass, but was not hurt otherwise. A little girl riding with him was unhurt. The driver of the truck attempted to pass another machine and, seeing that he could not do it, put on his brakes, causing the machine to skid.

## FORMER SAN BRUNO GIRL

### TO BECOME WIFE SOON

Invitations have been received by the many friends of the Rev. Charles Null, former pastor of the San Bruno M. E. church, to the wedding of his daughter, Miss Margaret Null, to James Byers.

Miss Null is well known here, having attended school in San Bruno for several years.

The Nulls are now residing at Hayward.

## GIRLS' CLASS PRESENTS

### CARPET TO M. E. CHURCH

The Golden Circle class of the Methodist Sunday school, composed of twenty-three little girls, has through its efforts earned and presented to the church a handsome carpet for the pulpit platform.

It will be a proud and happy group of little girls who will see their gift gracing the church Mother's Day, Sunday, May 9th, when special services will be held.

## SAN BRUNO SCOUTS

### TAKE PART AT REDWOOD

Last Saturday the San Bruno Boy Scouts took part in the aviation day celebration at Redwood City. The Scouts were given a fine reception by the Redwood troop. The San Bruno boys were carried to Redwood in one of Mr. Lombardi's trucks.

Last Friday night J. H. Galleher, the new scoutmaster, was officially placed in charge of the troop. The Scouts are all very enthusiastic over their new scoutmaster.

## FAST BASKETBALL AT CALIFORNIA HALL

The Center Club held its monthly social in California Hall last Friday night with a large audience in attendance, the special event being a game of basketball between the Center Club team and the Atlanta girls' team from South San Francisco. The latter team won, the score being 15 to 6. It was a snappy game, the visitors winning by superior team work.

After the game Ed Flynn's Midgets walloped the Center Club ball tossers.

The crowd then retired to the dining room, where refreshments were served. Charles Ledwith, president of the Center Club, acted as toastmaster. Louis H. Traeger, Mrs. J. T. Flynn, W. H. Eddy, A. S. W. Grundy, Miss H. Carmody, Miss R. Clifford, J. T. O'Connor, Harry Palmer, George G. Hughes, and Marshal Wedell were called upon to speak in the order named. Dancing was enjoyed for a short time after the refreshments were served.

A return game will be played at the South San Francisco high school next Monday evening.

## LOMITA BOY SCOUTS

### HAVE SOCIAL EVENING

Recently Lomita Park troop of the Boy Scouts was entertained at a dinner given by the wives of the committeemen of the troop, Mesdames Ahnert, Johnson, Wilkins, and Fahy. The dinner was held at the home of Committeeman William G. Fahy, the guest of honor being Scout Commissioner Laestretto of San Francisco. The home was beautifully decorated with the Scout colors, American flags and garlands of roses and flowers from the gardens of Lomita.

Committeeman Fahy acted as toastmaster and responses were made by the committeemen, Mr. Laestretto, and some of the Scouts. Patrol Leader William Wilkins gave an interesting talk on his recent trip to the Hawaiian islands, and Scout Anderson told the boys of the benefits to be derived at the Scout camp, which will be held at Cazadero this summer.

After the banquet games were indulged in until a late hour.

## LADIES' AID HAS TEA.

The Ladies' Aid Society of the M. E. church held its regular monthly tea in the church parlors Wednesday afternoon. Those in attendance enjoyed a fine time.

### WED MILLBRAE GIRL

Joseph Harte, well known in San Bruno, is to be married Sunday to Miss Mary Primentel of Millbrae. Mr. Harte has resided in San Bruno most of his life, while the bride-to-be has spent most of her life in Millbrae.

## HAS FOOT INJURED.

Edward Allen of Fifth addition had the misfortune, while at work at the steel works Tuesday night, to have a steel bar pass over his foot, nearly severing one of his toes. Allen was able to resume work after having the injury dressed.

## A Sweet Young Girl.

She stood before the bar, a pathetic little thing. The sympathetic eyes of the courtroom were all focused upon her. Even the judge himself, moved by her wistful grishness, paused before pronouncing sentence.

"Is there anything you would like to say?" he asked her, gently.

She turned her baby brown eyes upon him. A bit of sob escaped her. "No, you big stiff!" she replied.—Smart Set.

## A GALAXY OF MOVIE STARS

HARRY T. MOREY

When not at work on a picture Harry T. Morey is to be found in No. 16, a dressing room which dates back to the early days of his career in the Brooklyn studio of Vitagraph. It was 10 years ago that he occupied this room with Earle Williams. The walls resemble a combination of art museum and rogues' gallery. They are hung with pictures of Morey in various roles, ranging from a policeman, his first part; the crook, Joseph Garson of "Within the Law," to the high financier in "The Gamblers." Recently, he has added Philip Grey in "The Birth of a Soul" and a detective character in "The Flaming Claw."

## U. S. BONDS ARE BRINGING

### GOOD RATE OF INTEREST

Only one issue of Liberty Bonds—

the first—is yielding less than 5 per cent interest at present market prices, according to a table compiled on the basis of quotations at the close of business last week by Joseph Gietzen of the Wells-Fargo Nevada National Bank. Quoted at \$96.12, a \$100 Fifth

Loan Victory note yields 6.13 per cent interest, the highest return afforded by a United States government security since the Civil War. The Wells-Fargo Nevada National Bank is advising its clients to buy the bonds, as are many other banks and bond houses.

Reports from several banks in the Twelfth Federal Reserve District indicate that the demand for the bonds

JOE RYAN

Joe Ryan won the prize for riding Dynamite, a bucking steer belonging to a wild west show playing in Denver, and on top of that received an offer to go into pictures as a cowboy. Thus filmland secured a new type of bad man. He couldn't help playing a bad man for he was born at the foot of Devil's Tower in Crook County, Wyo. He has lived up to the name of his natal county, playing the vicious but rather likable villain. Joe Ryan is now at work on a serial in which he will appear as both hero and villain.

at the present market price is greater than the supply in the several localities from which the reports come. When this condition becomes more general, present prices will show a marked trend upwards in the opinion of bankers and financiers, who point out the advisability of buying Liberty Bonds, now that many issues are yielding as much or more than the bonds of industrial corporations.

The table computed by Mr. Gietzen follows:

Issue	Date	Price	Yield %
1st—3½	1947	93.25	3.90
1st—4	1947	85.50	5.
1st—4½	1947	86.25	5.20
2d—4	1942	84.00	5.22
2d—4½	1942	84.00	5.50
3d—4½	1928	90.62	5.70
4th—4½	1938	85.25	5.55

### THE SOLDIERS' BONUSES

The one big drive for economy in congress seems to be in the determination to prevent the former soldiers from getting their bonuses, which it is estimated would cost the government \$2,000,000,000. The proposal to issue bonds to former service men is opposed by the Treasury Department and the other custodians of the public finances on the ground that a bond issue for the necessary amount could not be floated on the basis of interest which governed the Liberty loans—and if it could be put over, that it would further disturb the credit of the country, which already appears to have its maw full of Liberty bonds and other war paper.

Another evidence that we are flying high is shown in the payments of nearly a billion dollars into the government treasury during March of the first installment of the income and excess-profits taxes for the year 1920. The reaction comes in the virtual strike of possessors of large incomes against investing in taxable securities except at higher rates of interest than were ever known before. Thus the cost of capital is boosted to take up the slack imposed by the government taxing process. Industry eventually assumes the burden, and it is represented in the higher prices of everything that is produced. Since the investment market fails to function, 3 per cent and 5 per cent interest is no longer attractive, and 8 and 10 per cent is expected from industrial stocks and other securities.

### THE SPIRIT OF AMERICA

Lincoln knew. The expressions which fell from his lips long ago are living and everlasting inspiration to the spirit of America and to all mankind. Read and read again these words spoken to the Workmen's Association in 1864:

"Property is the fruit of labor; property is desirable; is a positive good in the world. That some should be rich shows that others may become rich, and hence is just encouragement to industry and enterprise. Let not him who is houseless pull down the house of another, but let him work diligently and build one for himself, thus, by example, assuring that his own shall be safe from violence when built."

Any captain who puts his hand upon the tiller of our country must be guided by that kind of truth.

Yes, we are all a day older than we were at this time yesterday. But some of us hate like sin to admit it.

Just note, will you, how cheerfully dad pays the household bills these days. He is becoming both a Solomon and a martyr in his old age.

Hard times are in store for the editorial writers. If old Carranza peters out they will have to find another goat for their hot shots.

Energy and thrift will accomplish many things, provided common sense holds the reins.

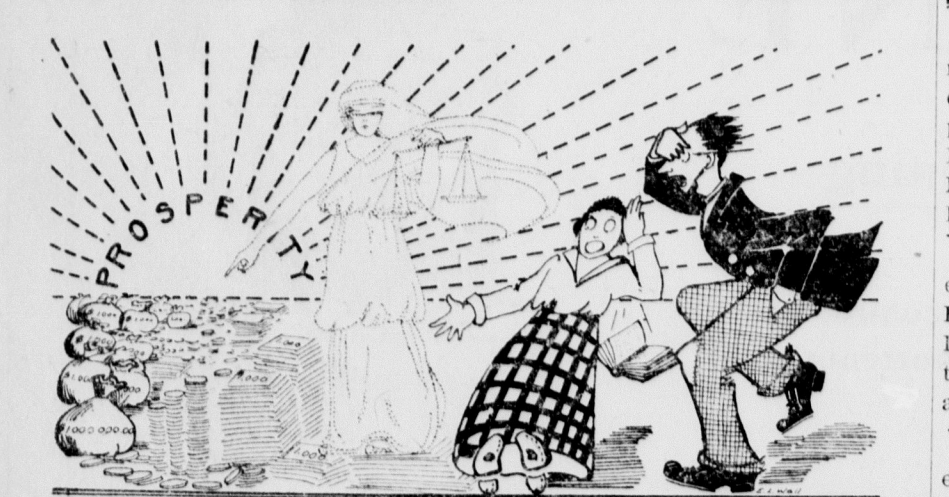

A square meal is a bully good thing, but why wouldn't a round one do just as well?

Now they say Paris gowns are more daring than ever. But seeing is believing, and—where are they?

Power of will is a mighty force and can be fanned into a terrific gale. But without perseverance it becomes but a transient gust of wind.

To escape from the piker class, votes should advance also.

### WHAT IS THE TEACHER WORTH?

"Almost anybody who knows anything at all of our country, its ideals and its institutions, knows that it cannot prosper without education. Ignorance is the culture where every microbe of violence, fanaticism, class hate, and folly thrives," says Dr. Crane in the San Francisco Call.

The teacher, then, is the best antidote for Bolshevism, the best tonic for Democracy. Is he valuable?

What are the teachers who are leaving the profession for other lines of work worth in the economic market? Is the cry, "He teaches because he can't do anything else," true?

Here are a few examples gathered by the Bureau of Education: A chemistry teacher at \$1600 became an accountant at \$6000; an English teacher at \$1500, an advertising manager at \$5000; a biology teacher at \$2000, an automobile salesman at \$4000.

These are special cases, but the average for the 125 teachers cited was \$1827.10, while still in the teaching profession, and \$3637.15 in their new occupations.

Do you wonder that 22 per cent of the teachers of America resigned last year?

Nothing could be more deplorable than a body of teachers who considered only the money return for their services—such a body would not be a safeguard for Democracy—but they must live, care for their families or dependents, and have some margin of saving for old age and for professional advancement. If the teaching wage does not permit this, stern economic law demands that they enter these other doors of opportunity that are opening to them.

Is the teacher worth more to you as your accountant, or as the trainer of your child; as your advertising manager, or your safeguard against anarchy; your automobile salesman, or your security for Democracy?

### CHURCH WORKERS TO BE DIVIDED INTO GROUPS

The workers in the campaign for funds for the new Methodist church in South San Francisco are rapidly completing plans for the drive. The announcement has been made that the Board of Home Missions of the Methodist Church has promised a substantial contribution.

The workers have been divided into four groups, as follows:

Group 1 (church members)—Rev. D. Stevens.

Group 2 (industries and corporations)—W. H. Coffinberry, J. O. Snyder, Mrs. Elizabeth Coffinberry.

Group 3 (business and professional men)—Dr. F. S. Dolley, David L. Smith, J. E. Sullivan, Charles Young, Mrs. W. H. Coffinberry.

Group 4 (others)—A. A. Whitten, W. J. James, Rhine Fakkema, Miss Ivy B. Wilkinson, Mrs. A. A. Whitten, Mrs. C. Coffinberry, Mrs. A. Rudebaugh, Mrs. C. Stearns, Mrs. B. Sullivan, Mrs. I. Schamp.

### CHURCH NOTICE.

Church services will be held as usual Sunday at the M. E. church. Sunday school, 10 a. m.; church service, 11 a. m.; Epworth League, 6:30 p. m.; evening services, 7:30 p. m.

### HELP PREVENT FIRES TO APPEAR ON MAIL

"Help Prevent Forest Fires" is the slogan which will appear on all mail passing through Uncle Sam's post-offices at Sacramento, San Diego, and Los Angeles, as a result of orders just received from the postmaster-general, according to Forest Service officials here.

"We hope, by the use of postoffice cancellation dies, as well as by other means, to bring home to the people of California their individual responsibility in the matter of forest fires," says Paul G. Redington, district forester for the California district of the Forest Service.

"Campers in the national forests of this state last year were responsible for over 30 per cent of our fires," he continued, "and yet those very campers are loudest in their denunciation of the annual destruction of our forests by fire. If they would only learn to be careful—to build a small fire and never to leave it until they had put it out with water and then covered it with earth, they could go back each year to their favorite camp grounds. As it is, many of the most beautiful of mountain camping spots are being destroyed by fire each year."

"Help Prevent Forest Fires" should be the first thought and the last of every mountain camper this year, according to Redington.

### NOTICE INVITING SEALED PROPOSALS OR BIDS FOR THE CONSTRUCTION OF FIRE-ALARM SIGNALING SYSTEM IN THE CITY OF SOUTH SAN FRANCISCO.

Sealed proposals or bids will be received by the Board of Trustees of the City of South San Francisco until eight o'clock p. m. on the 10th day of May, 1920, for doing the following work in the City of South San Francisco, County of San Mateo, State of California: Furnishing all labor and material necessary for the construction and completion of an automatic, perfect, non-interfering fire-alarm signaling system in the City of South San Francisco.

All material and all work above mentioned must be in strict compliance with the specifications adopted by the said Board of Trustees of the City of South San Francisco on the 22nd day of April, 1920, and now on file in the office of the City Clerk, to which specifications reference is hereby made. The successful bidder, shall within ten (10) days after the award, enter into a contract with the City of South San Francisco for the faithful performance of the work to be done under said award.

All proposals must be accompanied with a certified check upon a solvent bank in the State of California, payable to the City of South San Francisco, for an amount not less than ten (10) per cent of the aggregate of the bid, on the condition that if the proposal be accepted and the contract awarded, and if the bidder shall fail or neglect to execute the contract and give the bonds required, the sum mentioned in said check shall be liquidated damages for such failure and neglect and shall be forfeited to and paid into the Treasury of the City of South San Francisco.

The bidder to whom the contract is awarded will be required to execute a bond for the faithful performance of the work in an amount equal to fifty (50) per cent of the amount of the undertaking with at least two responsible sureties in the full amount of the bid each; and will also be required, before entering upon the work to furnish a good and sufficient bond as required by an act of the Legislature of the State of California, approved May 10, 1919, entitled "An act to secure the payment of the claims of persons employed by contractors upon public works, and the claims of persons who furnish materials, supplies, teams, implements or machinery used or consumed by such contractors in the performance of such works, and prescribing the duties of certain public officers with respect thereto."

The contract must be entered into in compliance with and subject to the conditions imposed by Section 653c of the Penal Code of the State of California. Sealed proposals or bids shall be delivered to the City Clerk on or before eight o'clock p. m. of Monday, May 10, 1920.

All sealed proposals will be opened by said trustees in public session on Monday, May 10, 1920, at 10 o'clock a. m. in the Council Chamber of said Board.

The Board of Trustees reserves the right to reject any and all bids. By order of the Board of Trustees of the City of South San Francisco, Dated April 23, 1920. DANIEL McSWEENEY, City Clerk.

## PRACTICAL RECIPES

Under this heading The Enterprise will publish, from week to week, a series of excellent recipes written especially for this paper by a woman who has had a university training in domestic science and a wide experience in cooking in her own home. Every recipe has been thoroughly tested and will be found economical and palatable.

Cooking Editor, The Enterprise—Dear Lady: I wish you would tell the women how to cook meat some other way besides fried chuck steak and fried round steak twice a day seven days a week, and oblige,

A WORKINGMAN.

There need be no repetition in the serving of meat during the week if one is willing to spend thought and time in preparation. Moreover, the cheaper cuts of meat may be prepared so as to be as appetizing as the more expensive ones.

Following are a few suggestions, some of which have been previously published in The Enterprise. All the recipes have been tried by the writer.

### Meat Loaf

- 1-3 pound beef.
- 1-3 pound pork.
- 1-3 pound veal.
- 1 teaspoon salt.
- ½ teaspoon pepper.
- ¼ an onion.
- Speck nutmeg.
- 1-3 cup crumbs.
- Stock or water to moisten.
- 1. Place several strips of salt pork in the bottom of the pan and on top of the loaf.
- 2. Mix all, making quite moist.
- 3. Bake covered until the last ten minutes, then baked uncovered to brown.

## A Few Facts Regarding FENOSOTE Preparations

They reduce fever and destroy the development of the Poisons of Germ Diseases

THREE PRODUCTS ARE MANUFACTURED

- Fenosote EMULSION in Half Pint Bottles.
- Fenosote CAPSULES in Boxes of 32 Doses.
- Fenosote OINTMENT in Jars of 2 ozs.

Hundreds of people have endorsed these remedies, among them many physicians of note, nurses, and convent Sisters, in addition to those who have been cured of their ailments through the use of Fenosote preparations.

### FENOSOTE CAPSULES

Are for adults only, 1 capsule 3 times a day prevents in almost all cases the infection of such contagious diseases as Spanish Influenza, and should be given preference over FENOSOTE EMULSION if there is much sickness at the stomach.

### FENOSOTE EMULSION

IS USED for both children and adults, 2 teaspoonful of the emulsion are equal in strength to 1 capsule.

The EMULSION and CAPSULES are indicated in all feverish and painful conditions of the system, such as: Influenza, Pneumonia, Bronchitis, Blood Poisoning, Typhoid Fever, Malaria, Rheumatism, Neuritis, Lumbago, Asthma, Whooping Cough, Measles, Small Pox, Scarlet Fever, Catarrh, and all heavy or lingering coughs and colds.

### FENOSOTE OINTMENT

Quickly relieves pain, tenderness and inflammation and sterilizes the parts to which applied. Rapidly heals all cuts and wounds, whether poisoned or not. Best application for Piles, Varicose Veins or Ulcers, Abscesses, Boils, Carbuncles, Erysipelas, Inflamed Joints or Glands, Mumps, Neuritis, Burns or Scalds. For Babies, should be applied on neck and chest in Croup or Colds. Nursing Mothers application for sore breasts or cracked nipples. Quickly cures Itch, Ring Worm, etc. Very beneficial in Psoriasis.

4. Bake 45 minutes in a moderate oven. Creamed new potatoes and peas are pleasing served with the above.

### Apples and Sausage

Hollow out large, tart apples and fill with sausage meat. Place in a baking dish containing a little hot water and bake gently for about one hour, basting frequently.

### Swiss Steak

1. Pound round steak with a heavy saucer or potato masher, pounding in as much flour as possible on both sides.

2. Brown in hot fat in skillet.

3. Pour over boiling water and seasonings.

Salt.

Pepper.

2 slices of onion.

4. Cover and simmer for about two hours or until very tender.

Round steak prepared in this way is very delicious.

### Spiced Pork Roast

4 lbs. pork roast.

1 tablespoon mixed pickle spice.

Salt.

Pepper.

1 onion.

8 new potatoes or sweet potatoes.

Flour.

1. Sprinkle meat with salt and pepper and dredge with flour.

2. Place in a roasting pan in hot oven. When flour has browned add 2 cups hot water and the spices tied in cheesecloth.

3. Slice onion over meat and bake three hours, basting frequently with liquid in the pan. Add more water if needed.

4. Put potatoes in pan one hour before serving and cook with the meat.

Apples cut in half and baked with the potatoes make a nice accompaniment.

### Meat Balls

1 package noodles.

20 cents Hamburg.

15 cents pork sausage.

1 quart tomatoes.

2 green peppers when in season.

1 large onion.

1 egg.

½ cup milk.

1. Cook tomato slowly with pepper and onion for about one-half hour.

2. Strain and season.

3. Thicken as for gravy.

4. Mix meat with egg and milk. Season. Add a small amount of cornmeal and form small balls the size of a walnut.

5. Cook balls 20 minutes in the tomato sauce.

6. Boil noodles until tender. Drain and pour on a platter. Pour the meat mixture over and serve hot.

This dish is nourishing and economical. No potatoes should be served, as the noodles supply starch.

### Veal Croquettes

2 cups chopped cold cooked veal.

½ teaspoon salt.

¼ teaspoon pepper.

¼ teaspoon onion.

Yolk or white of one egg.

Fine dry crumbs.

1 cup thick white sauce made of 1 cup milk.

4 tablespoons flour.

2 tablespoons fat.

Salt.

Pepper.

1. Chop veal very fine.

2. Mix with seasonings and white sauce. Cool.

3. Sift dried bread crumbs.

4. Beat egg, adding one tablespoon water.

5. Shape mixture into flat cakes or croquettes. Roll in the sifted crumbs, then the egg, then the crumbs again.

6. Brown in fat in skillet or fry in deep fat.

The croquettes may be prepared several hours before serving and browned in the fat at the last.

### Vallejo Spanish Stew

1. Slice an onion and cook it with a little fat until brown.

2. Add 1 can tomatoes and a green pepper sliced when in season, also one-fourth cup raisins.

3. Cut beefsteak into small pieces and cook slowly for about 3 hours. Before serving add a few ripe olives. This may be made from the tail ends of steaks or with round steak.

When cooking a roast, either oven or pot roast, it is more economical to cook a large one and then serve it in various ways. This saves both labor and fuel. The following are a few suggestions for left-over meats:

### Hash

1 cup cold cooked meat, chopped.

2 cups cold cooked potatoes, chopped.

4 tablespoons drippings.

Salt.

Pepper.

1 slice onion, chopped.

1 sprig parsley, chopped.

1. Melt fat in frying pan.

2. Add a very little stock or water to the above mixture and spread in the pan.

3. Cook slowly over a moderate heat.

4. When well browned—after about 30 minutes—fold like an omelet and serve hot.

### Baked Hash

1½ cups chopped meat.

1½ cups mashed potatoes.

Salt and pepper.

1 teaspoon scraped onion.

1-3 cup (or more) hot water or stock.

2 cups soft bread crumbs.

2 tablespoons butter.

1. Mix all the ingredients except butter and crumbs.

2. Add enough water or stock to moisten.

3. Place mixture in a buttered baking dish.

4. Melt butter and pour over the crumbs.

5. Cover the hash mixture with the

### That Ting-a-Ling Thing!

Noah landed the ark on Mount Ararat, and the boys all separated to go into the purebred stock game, and of course the first year, having to depend entirely upon range, they got widely scattered. This necessitated some kind of a telephone system and Noah invented one that answered the purpose admirably. The exact origin of this system is deeply shrouded in the mists of antiquity, and down through the rise and fall of Babylon, the Crusades, the Dark Ages, and the War of the Roses, somehow it was preserved. Finally, slightly revamped, it came to find a permanent home in Redfield. Today it is still in use and, although the museum of history and the Smithsonian Institution have made flattering offers for it, owing to the value it has as a relic, they have not been able to move it from us.—Redfield (S. D.) Press.

6. Bake slowly until meat is thoroughly heated and crumbs are brown. Serve at once.

### Escalloped Meat

2 cups chopped left-over meat.

3 tablespoons fat.

3 tablespoons flour.

1½ cup milk or stock.

1 teaspoon salt.

½ teaspoon pepper.

1 teaspoon onion juice.

1 cup buttered crumbs.

1. Put a few crumbs in a buttered baking dish.

2. Make a gravy of flour, milk and fat.

3. Mix meat and gravy and pour into dish. Cover top with remaining crumbs.

4. Bake until meat is hot and crumbs are brown.

### Pot Roast

1. Put a piece of suet into a hot kettle and add to meat. Brown all sides well.

2. Add two cups hot water, boil five minutes and skim. Add salt and pepper and simmer, covered closely, until very tender. (Several hours.)

3. The above may be varied by adding sliced carrot, turnip, and onion.

Thicken stock for gravy.

Potatoes may also be added during the last hour and boiled with the meat. Add more water to above when needed to prevent burning.

## "Of Such is the Kingdom of Heaven"

Inside the great brass statue of Moloch a roaring fire was built on holy days.

And into the seething arms of the pitiless god mothers hurled their screaming infants.

In the South Sea Islands, when either parent died, the children were slain and buried also, to wait the parent in the other world.

In China the girl babies were drowned; in Greece they were exposed upon the bleak and bitter mountainsides.

And even Socrates, the greatest of the Greeks, saw nothing in the practise to condemn.

Thus the ancient heathen world treated its babies. Who was it that changed the world's thought about children? Who made them the most important citizens of the world?

Jesus of Nazareth. It was He who said "Suffer little children to come unto me and forbid them not."

He gave them the proud privilege of being His friends. In every age His Church has been the champion of childhood. Datheus, a Christian Bishop, founded the first orphan asylum. All the laws for the protection of children have their roots and their security in His Church.

**VICTOR LONATI RUN  
DOWN BY AUTOMOBILE**

Victor Lonati, a youth of 16 or 17, living at 814 Linden avenue, is at the South San Francisco Hospital suffering from a fractured left arm and severe lacerations and contusions of the

head. The young man was crossing the street near the Ship Hotel Wednesday evening when he was struck and thrown to the pavement by a car driven by J. Nightingale, who lives at 15 Walnut street, San Francisco. The driver of the auto hurried to the hospital with the injured lad.

**CHATTER FROM THE  
WORLD OF SPORTS****NEW ZEALAND RUNNERS  
MAKE GOOD RECORDS**

(By Franklin D. Morse.)

If the Australian timers are to be depended on, American athletes of the cinder track are likely to run up against a tartar in the person of G. Davidson, an Auckland, who is credited with running the hundred-yard dash in 9 4-5 seconds at the New Zealand track and field championships. According to the report, four watches were held on the race and three of them registered the time mentioned. The fourth gave the runner credit for one-fifth of a second better.

Another formidable New Zealand runner is H. E. Wilson, who has been credited with 15 seconds in the 120-yard high hurdles. Here is a competitor who is giving the American athletes considerable food for reflection, for they are familiar with his past performances, which have indicated that there is good ground for the belief that he is good for even time in the event.

**SO. S. F. BOYS PROVE  
TOUGH FIGHTERS**

Two South San Francisco boys, Jack Quinn and Mike Verna, gave a good account of themselves at the boxing exhibition at San Mateo Tuesday evening. Quinn laid his man, Jimmy McCarthy of San Francisco, out in the first round with a stiff uppercut. This pleased Quinn's friends very much, especially in light of the fact that McCarthy is generally considered a tough fighter and is some twelve pounds heavier than Quinn. Verna knocked his opponent, Sal Tera of San Francisco, out in the third round. Their bout was fast from the tap of the first gong. Both boys were managed by Dick Huntington of South San Francisco. Huntington states that he expects to stage some boxing in South San Francisco in the near future. Practically half the audience at the San Mateo exhibition was from this city. Huntington is also planning a tour along the coast and through the middle west with his two proteges.

**AL DOYLE OF DALY CITY  
SCORES KNOCKOUT**

Al Doyle of Daly City, who fought Spider Webb of San Francisco in the main event in Tuesday night's exhibition at San Mateo, scored a clean knockout, putting his man to sleep in the third round with a terrific punch on the jaw. This is Doyle's third appearance in the ring since coming from the army. While in the service he won twenty-eight consecutive bouts. Many of those who saw the Doyle-Webb mill Tuesday night declare Doyle is a boy who is sure to be heard from in the future.

**SO. S. F. LEGION TEAM  
WIN FIRST BALL GAME**

In the first ball game they have played this season, Bernard McCaffery Post of the American Legion defeated Golden Gate Post of San Francisco by a score of 18 to 11. Jones' home run, a triple play, and the pitching of B. Hyland, all of the South San Francisco team, were features of the game. Hearne of the city team also gathered in a home run. Next Sunday afternoon the South San Francisco team will play another San Francisco team on the local high school grounds.

**SOCCER EXPERT  
DIES IN THE CITY**

Dan Lennon, known all over the coast where soccer football is played, died in San Francisco last Monday after a short illness. Lennon was recognized as one of the greatest soccer football experts on the coast, and he was also noted as a swimming expert and trainer. Around central California he was in a great measure responsible for the ability shown in recent years by many of the younger swimmers.

**FIRST CHAMPIONSHIP  
BOAT FOR PACIFIC COAST**

Pete Herman, bantamweight champion, and Pal Moore, the challenger for the title, have been matched to fight fifteen rounds for the title at Vancouver, B. C., May 30th. It is the first world's title contest held on this coast since the demise of the old twenty-round game.

**ATTEND BANQUET FOR  
COUNTY SCOUT OFFICIALS**

Dr. J. C. McGovern, E. C. Peck, L. E. Adams, and the Rev. Daniel Stevens attended a banquet at the Perichon House, San Mateo, last Friday night, the affair being given for the Boy Scout committeemen and scoutmasters of the county, the host being Scout Commissioner C. B. Laestreto of San Francisco. Raymond O. Hanson, chief scout executive of the San Francisco council, was one of the speakers, another being Mr. Walner, chairman of the Scout Court of Honor. The Rev. Daniel Stevens, scoutmaster of the South San Francisco troop, spoke on the religious side of the great Scout movement.

**MUCH INTEREST IN  
SWIMMING CONTESTS**

(By William Unmack.)

Realizing that the swimming trials on the Pacific Coast must be held under conditions as near like Olympic games conditions as possible, Robert Dodd of San Francisco, member of the American Olympic committee, is giving serious thought to the coming aquatic events. The United States Amateur Athletic Union has awarded the coast trials to the San Francisco district, to be contested July 3d. The men and women who qualify in these coastal events will then go East, the men to Chicago for the final trials, July 15th to 17th, and the girls to New York for the tests July 16th and 17th.

Hawaii will have to send its swimmers to the San Francisco trials, and besides Duke Kahanamoku and Ludy Langor there are a number of coming island swimmers who will be entered. The Multnomah Club has several swimmers under consideration, and in the matter of girls Multnomah will send Thelma Payne and probably Constance Myers for the diving trials. Los Angeles has several men, including Ray Kegriss, the champion backstroke swimmer, and Clyde Swendsen, the United States diving champion.

**REDWOOD CITY TO  
ALLOW BOXING BOUTS**

The petition of the Redwood City post of the American Legion for a permit to conduct boxing exhibitions at the county seat was virtually granted Monday night, when the city trustees instructed City Attorney Albert Mansfield to draw up an amendment to the present ordinance which will permit the city fathers to grant permits for boxing matches when they wish. The present ordinance prohibits any boxing contests. There was a large delegation of the Legion members present at the meeting. The petition was signed by 450 voters of Redwood City.

**HENRY SARI SURPRISED  
ON HIS 25TH BIRTHDAY**

Henry Sari was surprised by a number of his friends at his home on Baden avenue Friday evening, April 30th. The evening was passed in dancing, playing cards, serving refreshments, and games were played. Among the guests that attended were John Mike, Ruth McMills, Mike Vernon, Dino Bernacchi, Irma Bruno, Irene Pientini, Alideno Nieri, Alfred Zanetti, Charles Locchi, Hilda Van Tassell, Alice Wallace, Angelo Canzenni, Nellie Bortoli, Margaret Kiessling, Leo Murray, Tom Piva, Willie Rodgers, Sarah Doak, Thomas Doak, Evelyn Ferrario, Alice Kavanagh, Alma Stahl, Jimmie Wallace, and Beatrice Eikerenkotter. A most enjoyable time was had by all present.

### SOUTH SAN FRANCISCO

#### A HISTORY

Among the buildings constructed in February, 1892, was the one-story

frame building at the southwest corner of San Bruno and Miller avenues. The building was erected for Buckingham & Co. by H. W. Jones and William Rehberg. On March 7, 1892, E. E. Cunningham

moved into this building, occupying the front as a real estate and insurance office and the rear as a dwelling.

Early in 1892 application was made to the Postoffice Department for the establishment of a postoffice at South San Francisco. In 1892 the appointment of postmaster was political patronage, recognized as the personal perquisite of the congressman of the dominant political party, and Eugene F. Loud was congressman for the fifth district, which included San Mateo county. In San Mateo county Congressman Loud consulted the Republican chiefs, and these political leaders usually consulted the Southern Pacific Company or the Spring Valley Water Company.

The first intention was to give the South San Francisco postoffice to an old-time San Mateo county Republican, but before that arrangement was consummated, George H. Buckingham took a hand in the petty political game. Mr. Buckingham wanted E. E. Cunningham (who was the "Co." in Buckingham & Co.) to have the postoffice. Now, Mr. Cunningham's wife was a daughter of Captain Oliver Eldridge of San Francisco, and Captain Eldridge was a director and large stockholder of the Spring Valley Water Company; the captain was also a director of the Pacific Mail Company. Then George H. Buckingham spoke to Father-in-Law Eldridge, and Captain Eldridge spoke to President Webb Howard of the Spring Valley Water Company. Thereupon President Howard requested the Republican chief of San Mateo county to ask Congressman Loud to have Mr. Cunningham appointed postmaster at South San Francisco. The matter was quickly settled. Congressman Loud acted promptly. Mr. Cunningham was appointed postmaster by President Benjamin Harrison's postmaster-general, and on the 11th day of April, 1892, the South San Francisco postoffice was duly opened for business.

This incident is noted in this history as an example of the political conditions prevalent generally in California twenty-eight years ago, and of the readiness of big men in big business to lend a hand in the direction of government, even down to petty details. It was a time when the invisible was more potent than the visible in government in this great California commonwealth.

George H. and A. E. Buckingham, mentioned in these reminiscences, belonged to a pioneer California family. They were the sons of Captain Aurelius Amander Buckingham, a naval officer who came around the horn in 1847, in command of the vessel that brought Stevenson's regiment to California. At San Francisco Captain Buckingham was a bay pilot several years, and was drowned crossing the bar in 1867.

On April 11, 1892, the Sunset Telephone and Telegraph Company opened for business in the postoffice building, with E. E. Cunningham as agent, and on the same day in the same building the Wells-Fargo Express Company began business, also in the postoffice building, with D. O. Daggett as agent.

In these days the corner of San Bruno and Miller avenues was the business center of the new city.

It was in the month of April, 1892, that W. J. Martin was appointed land agent for the South San Francisco Land and Improvement Company. Mr. Martin began at once an active and ceaseless campaign for the industrial development of South San Francisco, which he has carried on with unflagging zeal, tireless energy, and remarkable success from that day to this. Through his well-directed efforts, factory after factory has located here, until this city has more than twenty manufacturing industries in active operation, with an aggregate annual payroll of ten million dollars. It is due to his effort mainly that the local electric railway (of which he is president) was built and is in operation from the main suburban line to the water front of the factory district. He has also been a potent factor in securing for San Mateo county its splendid system of good roads and the present reasonable rates for San Mateo county commuters over the lines of the Southern Pacific Company's railroad.

In April, 1892, there was neither a school or schoolhouse within the limits of the land and improvement company's lands nor within the present incorporated limits of the city of South San Francisco. The nearest schoolhouse was a small, one-story frame building near Baden station, situate west of the old Mission road on the lands of the "Baden Company," and known as the "Baden District Schoolhouse." The trustees of the Baden school district at that time were Howard Tilton, August D. Jenevein, and Constantine Broner. The following year (1893) the little red schoolhouse at Baden was sold to Billy Neff, and by Neff was remodeled as a dwelling and removed to South San Francisco's Irishtown district, where it was a year later destroyed by fire.

The first school in South San Francisco was "St. Agnes' School," opened September 5, 1892, as a private boarding and day school for girls of all ages and for boys under 14 years. The building in which the school was conducted was erected by Rev. R. M. Edwards of Trinity Church, San Francisco. The school closed early in 1893, and the building is now the property of R. K. Patchell.

In 1892 the city was included in what was then known as the "Baden School District," and upon petition of the citizens of the new town an election was called and bonds were voted in the sum of \$10,000 for the purpose of erecting and furnishing a public school building. Upon the sale of the bonds, four lots, 4, 5, 6, and 7 of block 96, were purchased as a site for this city's first public schoolhouse, and a contract was let to Brucher & Griffin for the construction of a two-story frame building with four classrooms. The new schoolhouse was completed on March 16, 1893, and was at once opened and has ever since been used as a grammar school.

## SO. S. F. TO HAVE A HEALTH CENTER

County Red Cross Plans Clearing  
House for Social Service.

South San Francisco is to have a health center sponsored by the San Mateo county Red Cross, according to an announcement made by Miss Helen Chesebrough, vice-chairman of the county Red Cross, who was in this city Thursday looking the field over. Miss Chesebrough came as a representative of Walter Martin, county chairman of the organization. The emphasis here will be laid on child welfare, and the city officials have promised the Red Cross their full co-operation as well as the co-operation of City Nurse Miss Cora Rackel. Miss Rackel's help will be most important, as she has been working in this city for several months among the school children and knows local conditions intimately.

The Red Cross health center is to be established here as the result of agitation by the South San Francisco Woman's Club.

Miss Chesebrough states it is the intention to have the health center act as a clearing house for all charitable activities. The center will be opened as soon as a suitable location can be secured.

## NEWS NOTES FROM VISITACION VALLEY

In accordance with its determination to give its readers a full news service for the north end of San Mateo county, this paper has added a correspondent from Visitacion Valley to its staff.

### WILL SELECT SITE

#### FOR NEW SCHOOL

Visitacion will hold an election May 24th to select a site for the new school this valley is to build. A bond election for \$23,000 carried recently, and a building is to be put up that will take care of all the valley scholars. At present a dozen or more of these scholars are attending school in San Francisco.

### SEVEN-MILE HOUSE

#### OWNER DIES IN S. F.

Joseph Lercari, owner of the Seven-Mile House in Visitacion, died last Sunday. Mr. Lercari was well known in San Francisco and in the north end of San Mateo county. He leaves a widow and hosts of friends to mourn his death.

### P. B. C. AND F. CO.

#### EMPLOYEES STRIKE

The employees of the Pacific Bone Coal and Fertilizer Company went on strike Monday. The workmen asked for a 50 cents a day increase and an eight-hour day. The company allowed the wage increase, but refused to shorten the hours.

## LOCAL HAPPENINGS TOLD IN BRIEF

People You Know as They Come and Go.

John McDonald spent Sunday in Martinez visiting at the home of friends.

The Peninsula Drug Store has established an "economy table." Watch for it.

Mr. and Mrs. Martin Hyland and son, Donald, of Berkeley and Mr. and Mrs. Henry Hyland of Alameda spent Sunday at the Hyland home on Linden avenue.

Miss Leeta Clinton, formerly of San Francisco, moved to this city last week to make her home with her mother, Mrs. A. J. Russell, on Grand avenue.

Mrs. J. Ditton, formerly of this city but now living in San Mateo, is planning to leave next Monday with her children for a two months' visit with her parents at Defiance, Ohio.

Several members of the local chapter of the O. E. S. visited the chapter at Palo Alto Wednesday night. The initiation ceremony was held during the evening.

Mr. and Mrs. Ray Burge are moving into one of the Kauffmann cottages on Grand avenue. Mr. and Mrs. Singleton have moved into their new house in High School Park.

Mrs. Maitland Still and daughter, Elsie, formerly of this city, who are now making their home in Gilroy, came up last Friday on a business trip, returning to their home Wednesday.

Newell Stearns left Monday evening for Lakeview, Ore., to make a short visit at the home of his aunt, Mrs. F. Fetsch, who is a sister of Mrs. D. N. Stearns of this city. He expects to be gone about two weeks.

### MR. AND MRS. L. G. HARDY

#### ENTERTAIN CARD PARTY

A party of young women gathered at the L. G. Hardy home on Miller avenue Wednesday afternoon and spent the afternoon playing five hundred. Mrs. E. P. Kauffmann was the winner of the first prize, a tray cloth. Refreshments were served during the afternoon.

### SWITCHMEN'S STRIKE

#### IS "PETERING OUT"

The "outlaw strike" of the switchmen on the S. P. system seems to be "petering out," so far at least as the local yard is concerned. All switching crews are working on day shift, but no switching is being done after 8 p. m. The railroad company has a diner for the men who are working, with steward, cook, waiter, and porter, and there is no sign of trouble. The company has increased its guards, but apparently they are not needed.

## Sticks and Stones

By Mark Ireland.

The hardware dealers are puzzled because somehow or other the demand for padlocks has not increased since prohibition "put the saloons out of business."

A San Francisco woman beat the high cost of silk stockings by wearing two pair of cheap silk stockings. No one knows that she has two pair of stockings on, and they look like the seventy-five dollar variety. That is thrift with a "kick" in it.

Vladivostok, which the Japanese have taken, is the most important port of Siberia. It is a Pacific gateway to Russia.

A Sacramento (Calif.) dispatch quotes the governor of Nevada as saying, in reference to Mary Pickford's divorce: "Mary lied like a gentleman."

A small boy said the other day that the reason his father would not let him swing on the front gate was that nobody else could get through.

If one of the Pilgrim Fathers had invested \$100 in government savings stamps, had they been on sale then as

they are now at all banks and post-offices, his heirs today would have more than \$15,000,000.

So far, no discharged soldier has confessed to having taken his blue denim home with him.

Newspaper dispatches from the East quote bankers as saying that the number of women depositors has increased as much as 50 per cent during the last year. One of Denver's leading bankers is authority for the statement that more than half the total savings of that city's banks belong to women. Five St. Paul banks have installed women's departments in the last eight months to handle the tremendously increased business. In Illinois, Springfield bank books show three out of every four new depositors to be women.

It looks as if the women might get the vote.

Nobody hollered "Hurrah," Tuesday, April 6th. It was the third anniversary of our entry into the world war.

Have you ridden in the "machine you will eventually buy?"

## COUNTYSEAT STAGES GREAT CELEBRATION

10,000 People Attend Aviation Day at  
Redwood City Saturday.

The Aviation Day celebration in Redwood City last Saturday was a grand success. Many of those who were in attendance at the county seat declare it was the biggest affair of its kind the county has ever seen. The weather was ideal for the affair. It is estimated that fully 10,000 persons took in the celebration, at least it is a fact that the city was jammed almost to its limit from early morning to the end of the grand ball at night.

Redwood City was in gala attire for the big event. Huge streamers of flags decked the streets and bunting and bright-colored decorations were everywhere. The parade under Grand Marshal D. H. Wood swung into line shortly after the arrival of the U. S. submarine chaser with 150 bluejackets and a band of fifty pieces. It was a gorgeous parade with beautifully decorated floats and many divisions of marchers.

The star attraction of the day was the aerial race. There were six entries, the clear weather enabling the spectators to see the fliers over practically the whole of the seventy-five mile course. Henry Bryant, who drove a 225-h. p. Standard machine, was declared the winner, Gus Jameson in a Curtis plane capturing second prize.

The big day's festivities wound up with a grand ball in the evening.

Harry Cavassa attended the Rexall convention at the St. Francis Hotel in San Francisco Wednesday.

## CHAUTAUQUA TO BE FEAST OF THE BEST

Banners advertising the big Radcliffe Chautauqua that will be in South San Francisco May 21st, 22d and 24th, have appeared on autos in town this week. Plans are rapidly maturing that assure a great success for the Chautauqua here. J. Partridge, one of the Radcliffe advance men, was in South San Francisco Thursday and today getting acquainted with the committee in charge. At a meeting of the committee held in the Y. M. C. A. rooms this morning, Mr. Partridge sketched the program and the methods of the Radcliffe organization, showing clearly that the program as it will be given here will be highly educational as well as entertaining. The musical numbers are to be given by the highest class of artists and will appeal strongly to all lovers of the best in music. There will be six concerts on the three days, as well as lectures and literary numbers.

### MISS NICHOLS BUYS SCHURK HOME ON MILLER

Mr. and Mrs. C. F. Schurk have sold their home on Miller avenue and will move shortly to the house on Grand avenue in which the Burge family have been living. Miss Nichols has purchased the Schurk home and will occupy it with her niece, Mrs. D. Stanley, and Mrs. Stanley's two children. Mrs. Stanley is a former resident of South San Francisco and is well known here.

An interesting address will be heard at the public forum at Guild Hall Sunday night.

## BOY SCOUTS TO SELL CHAUTAUQUA TICKETS

The members of the Boy Scout troop of South San Francisco have been divided into two teams for the purpose of selling tickets to the Radcliffe Chautauqua that will show in South San Francisco May 21st-24th. The boys are determined to sell every ticket possible, as the surplus over the amount guaranteed the Chautauqua management goes to the Boy Scouts for their summer camp. Besides this, the boy selling the greatest number of tickets will be given a prize of \$5 and the losing side will "stand treat" to the winning side at a "weiner bake."

The teams are called the reds and the blues, and the personnel follows:

Reds—Neil Sullivan (captain), Alpheus McGovern, Ormar New, Wesley Dotson, Aerial Boeslan, Elton McGraw, Leland Burge, Mylan Conrad, Louis Beltrami, Letuo Raefaeli.

Blues—Alexis James (captain), Philip Sullivan, Lester Vaccari, Reese Lloyd, Thomas Doak, Elmer Vaccari, Frank Whitehouse, Jean Dotson, Ervengilo Rozzi, Charles Simonini.

### BROTHERHOOD HOLDS SUCCESSFUL WHIST PARTY

The whist party given by the Fraternal Brotherhood lodge last Friday evening was very successful. There were fourteen tables. Four prizes were offered, Miss Amelie Pourcans taking the first, Mrs. Hazel Selby second, Mrs. E. Britton third, and Mrs. A. Whitten fourth. There was also a prize given to the young ladies punching score cards, Miss Edna Broner holding the lucky number, the prize being a handsome box of stationery. At the close of the cards a short program was given. A vocal solo was rendered by Miss Alice Stearns, while Miss Bernice Holbrook gave a piano solo. Coffee and sandwiches were served.
